RE: ML 44791 and ML 46786 -- Building Stone/Limestone

Dear Mr. Bown:

The Trust Lands Administration was advised that you have commenced mining operations upon lands under the above-numbered leases. Rule R850-20-2400 and the terms and conditions of the leases require that you notify the Trust Lands Administration, Lessor, and obtain an approved plan of operations at least 60 days prior to the commencement of mining. Failure to provide Lessor with the required notice of intent to commence mining is a violation of the lease agreements. Failure to rectify such violation within the next 30 days may subject these leases to cancellation.

Please contact me if you have any questions in this matter.

Sincerely,

JOHN T. BLAKE
MINERAL RESOURCES SPECIALIST
